

North Macomb Soccer Club Try Out

Come see why NMSC is one of the area's fastest growing, competitive and most affordable clubs! Our focus is on developing players at all ages and levels under the guidance of professional licensed coaches:

- ✓ **NMSC Junior Development Program (U6-U10)** Technical training and casual game play for the beginning player.
- ✓ **NMSC select program (U8-U18)** For players wanting to play competitive local soccer (MYSL).
- ✓ **NMSC Elite - Premier & Youth Academy teams (U10-U18)** For those players and teams who desire to play at a higher level. Year round training and additional tournaments, State Cup, State Premier league &/or Midwest Regional League.
- ✓ **Derby County Wolves U.S. National Academy teams (boys U14, U16, U18)** for those committed players who wish to play on the Livonia based National Academy teams.

NMSC is pleased to announce our formal affiliation with Michigan Wolves/Hawks!

While this affiliation will not affect how our club currently operates, it will give us the positive support of a knowledgeable organization that can help us to see the growth that we desire with our Premier teams. Michigan Wolves-Hawks hopes to support the talented players in North Macomb Soccer Club by offering them training options, a direct route into the U.S. National Academy Program through the Derby County Wolves Academy Program, and ODP support for our female players.

As part of this affiliate program Jason Davis, who holds a USSF "A" License and is a Derby County Wolves staff coach, has been named as the NMSC Technical Director and will serve as the liaison between the clubs.

GIRLS

Age	Time	Birth Date
U9 - U10	7:30 - 8:30 pm	8/1/99 to 7/31/01
